# HRC GROUP FITNESS

<b>STRENGTH</b>	<b>CARDIO</b>	<b>LOW IMPACT</b>	<b>DANCE</b>	<b>RECOVERY</b>
-----------------	---------------	-------------------	--------------	-----------------

**STRENGTH** = focusing on toning and building muscle. This class is for those who enjoy higher impact and lifting weights.

**CARDIO** = an active class with continued movement. This class has high energy exercises that will help lower your resting heart rate and blood pressure.

**LOW IMPACT** = geared towards beginners or people with limitations. This class will show you how maximize your workout time with modify exercises.

**DANCE** = fun and energetic classes with choreography. Follow our instructor and enjoy your work out to the sound of your favorite music.

**RECOVERY** = a slow paced class centered on stretching and foam rolling. Learn how to reduce soreness and continue doing those daily activities you love.
